Collins / ARINC Wifi support is working on the G550 today, installing Software updates to the KA wifi. Also. Pete came to PBI as well to attend the NBAA show, I also had Palm Bch Port Authority run a Criminal History report last week, so I could get him a P=I airport badge. In Palm Bch, you must have an airport badge to access the=planes on the ramp. He will attend the TSA class on Thursday to acquire hi= badge, plus Pete will update the data bases on the GIV this trip as well. =Just FYI,

Thx  
Larry
