Subject: Re: Offshore: Sportis

Sportis is on GSJ.
I've coordinated with Tap & Randy.

The barge is on its way with the Lull to get Sportis on the Barge.

Mike told Carlos to bring over the F250 this morning but I told them not to use the truck on LSJ or GSJ.

The boat weighs more than the truck so it could've damage the truck in the process

Hi all,

Carlos is having some issues with getting the Sportis down to offshore. He♦=80♦s on LSJ awaiting someone to put Sportis on the Barge.

Can someone please assist with getting the Sportis boat on the barge to go down to offshore? Carlos sent an email last week to everyone.

Offshore marine tube guy is leaving St. Thomas on Saturday and we would really like to get the Sportis fixed.

Please advise,
Ann R.
