[REDACTED], hello,

Thank you for your visit earlier this week—a=d for the cookies!

I sat this morning with our head of HR at Tapestry a=d asked her to think through potential internal roles that might make sens= for you. Once I send her a copy of your CV, she will then reach out=to you to organize a visit. I was going to send her your current CV, but I do believe your two year gap after grad=ation will draw attention. Would you please consider revising your C= to describe your role during that two year period (you do not need to ide=tify the businessman with whom you worked)? Would you then send me the updated CV for me to send to Sarah Dunn at Tape=try?

Best regards,

Jide
