Rich,

I do not feel comfortable using LSJs carmix personally. =however 4 others did the exact same training on the machine I did. =hey were Tap, Dupson, Mike, and Smiley. I just spoke to Jay and =e has the contact information for another Carmix Operator if you guys =o not want to use your in house employees, Jay said to let him know if =ou want this info. The foundation rebar and matting was finished =id day Monday that is why it was not poured previously.

Very Respectfully,

Kyle =eavis
