Hi Kathy,

</=pan>

Yes, we were down last=year by 4.39% net of all expenses. The SP 500 was down a little over=6% for the year and our mix of equites fared better than the overall marke= did. The good news is we have had a nice bounce back in January and your total portfolio is up 4.61% since January =st.

</=pan>

I will be happy to wal= you through this in detail on our follow up call next Tuesday.

</=pan>

Enjoy your ski trip an= I look forward to speaking with you next week.
