<div>Good Day to You.

I had rescheduled my canceled return flight to the 16th of September.  
However, if we are unable to make any progress on the barge or recovery of either of the Principals properties,  
I might entertain delaying my return as I feel I may not be able to accomplish anything productive.  
Please advise as to your thoughts on this and share any insight on plans, Please.  
=A0 I'm standing by, ready to assist if it's possible to do so=
