Kenny came over on a 1 o'clock boat. He showed up yesterday at 12:30.

Kenny has made many promises of completion that he has not met.

I do not have faith that Kenny will complete this project by Saturday. Even if he does, we still need time to reinstate the plumbing fixtures in the sinks and raise the vanities and lighting as Kenny's countertops sit higher and the plumbing will not fit beneath the vanities and lighting now.

He was told to have the project finished by last Tuesday. And then this Tuesday. And however many weeks before that.

I can't really see much progress after he's been here.

I am not convinced that the completed project, should it actually get finished, will be up to standard.

If we need cabanas up by the weekend, I would suggest we pull the plug on Kenny, reinstall the temporary sink counter tops, and get everything clean and functioning ahead of Saturday, then find somebody else.

In fact, I recommend we pull the plug on Kenny. Period. He's yet to show us one single finished product in any of the cabanas.

Kenny said he will push to be completed by Saturday morning. I told him that he can work later than 4pm Thursday & Friday to speed up the process
