Jeffrey,

Thanks for the feed back. I'll =tart again towards another direction and new strategy. However did you =ee those first sketches project? about walls and wind buffer study for =he upper pool ?

Best,

K

Please see below from Kevin Ouvre and advise how I should respond.

I'm having hard time to get news from you guys, I'm a bit concern about the work I have done and the rest of it to be produce. Since I don't have any feedback. Please let me know whether the project is on hold or should I kept on going? I have achieved more plans but I can't get in touch with you....

Best regards,

Kévin.
