I think it would be helpful if I co=ld work with Cashkim to create a before and after portfolio to provide a d=fferent perspective. We are making amazing progress, but his photos do not=show that. Landscaping, painting, and carpentry divisions have received ce=ling to floor paint to address rust and floors are epoxied. Engineering fl=ors also epoxied. Tiki ceiling in progress, mirrors going up, pool grates =n, Cabana 4 wall patched and drying in preparation for sanding, so much mo=e in addition to lots of landscaping. We bought all new clamps for p=pes, etc to replace rusty ones. Speakers going up in theater room. Holes w=ll be dug this afternoon for turpentines. Excavation for LSJ barge ramp.
