<=div dir="ltr">
Good morning, All,

Randy Amparo is scheduled to be on vacation February 14 - March 3 (10 vacation days, two weekends, one holiday). Because we will be down one captain, it makes sense to me to have Little C hauled out at ahead of his departure and maintenance and repairs done during his absence. Per my request Randy is required with Nanny Cay, re: their schedule. They do not have availability on=Feb 13 for haul out, but they can do it tomorrow, Tuesday, February 12.&nbs=;

My next question is whether we already have an approved estimate of cost for the work. Do we have this record?

My third question is whether this will work for BVI Painters. Randy, did you check with them also?

In the event we do have the record and we can make this work, this means we may need to resume the morning ferry service for a little while longer while Little C is out.

Please advise.
