Good Night Stephanie

E=C's (the vendor that installed our existing phone service), Steve Bisb= and I spoke about the quote for a new phone system. This afternoon Steve =xpressed that his boss no longer does non- continental installations. I su=gested the following alternative of them quoting the equipment and I or a =hird party vendor (e.g. VIYA or someone else) handles the installation wit= technical support. He will present this option to his boss and then get=C2♦back to me.

I have also reminded Earl that t=me is running short and we need that proposal for the LSJ/GSJ WIFI. =C2♦

Also did you receive my list for items to c=me on the plane? if not let me know so I can resend it to you.
