Heli update

Jeffrey

Just received this from Matt the Heli broker,, we may hear something over th= weekend:

From Matt;

Larry,

Just landed. No news. Since the decision is up to the ceo on selling both I t=ink that's why it's taking longer. Haven't ruled ou= tonite or over weekend but I'm thinking Monday now. Apologies. The= did hear the message loud and clear about waiting on delivery of the secon=. Steve is pissed. He tried to light the fire but post Aetna acquisition th=y just have other things on their plate. Steve reports to Jim who is vp fin=nce. He is very accessible. Jim then reports to Larry the ceo and while Jim=has authority to approve sales price and whatnot he doesn't have au=hority to say let's sell both.

Matt
