Jeffrey

I told Matt the Broker that you would offer $3.1M for the Heli But $200k com=ish must come to me, so the purchase price would be $2.9M.

He first said, he was willing to make this work,, then he became hesitant t= present this to CVS being a public company, he thought CVS May think this i= a shady procedure, and I was taking advantage of the situation ,, I told M=tt I had your direction,,Matt also mentioned that if CVS hears your willing=to pay 3.1, why isn't CVS getting that amount,

Matt suggested that we pay $3.1 to escrow, and let escrow disperse the $200k=commish but this only has the contract purchase price at $2.9M.

Matt is will to present to CVS and his partner at Guardian wanted us aware o= what CVS light think,

I told him not to mention anything until I speak to you, I certainly didn =80 t want to mess up the deal myself.

Other idea, maybe run the purchase though Gary's company??

Not sure how to proceed?
I will view the Helicopter in persons at Hartford CT tomorrow at 10am with M=tt the broker, I think it's best that I View the heli in person, not Pete,

Thx
Larry
