Kenny came over on a 1 o&=39;clock boat. He showed up yesterday at 12:30.

K=nnny has made many promises of completion that he has not met.

I do not have faith that Kenny will complete this project by S=turday. Even if he does, we still need time to reinstate the plumbing fixt=res in the sinks and raise the vanities and lighting as Kenny's counte=tops sit higher and the plumbing will not fit beneath the vanities and lig=ting now.

He was told to have the project finishe= by last Tuesday. And then this Tuesday. And however many weeks before tha=.

I can't really see much progress after he&#9;s been here.

I am not convinced that the comple=ed project, should it actually get finished, will be up to standard.

If we need cabanas up by the weekend, I would sugge=t we pull the plug on Kenny, reinstall the temporary sink counter tops, an= get everything clean and functioning ahead of Saturday, then find somebod= else.

In fact, I recommend we pull the plug on K=nnny. Period. He's yet to show us one single finished product in any of=the cabanas.

steph ana wher a=e we with him fnishing.
