Sneaky,
thank you so=so much, and please send Terje my most profound appreciation.
<=iv dir="ltr">

Upon our earlier conversation, c=uld you kindly ask Terje what the situation I am in is? Mainly, I would li=e to know what was told to Adam? Does he know the full story behind or was=he informed only about a story with Ganbat? Terje told me once a while ago that IPI only knows=about Ganbat as my supporter and funder, but I am not sure if since =hen the story has been changed. In other words, I am feeling somewhat conf=sed, so I need to know this all because I will help me to figure out how I=should approach this issue and what my next steps are. Perhaps, it will be=ome more apparent to me what I would be discussing with Adam if /when he a=ks me to come to his office next week...

Th=nk you :)
