leon has been traveling a lot (and canceling our meetings). I'm scheduled to see him thursday. If he cancels I'll just do it over the phone and leave the letter for him to sign....so give me until the end of the week; I haven't forgotten.

It appears that all of the funds donated by Leon and the Leon Black Family Foundation to The Origins Project were not used.

I believe the balance that remains is approximately 607,000. Jeffrey also had unused funds for his donations and sent his balance to the MIT Media Lab.

I have drafted a letter if you would like to do the same. If so Leon will need to sign.

Thank you and please contact me with any questions.
