Just sent you =update about David. Rusty laundry roller now gone. Started working on =hose nooks and crannies Cash keeps finding with his camera (water =eater closets, etc.) Ash has been working with engineering. He assisted =ne day on barge repairs, one day with Anna for transporting vehicles =nd assisting with carpet cleaner, kings rugs, tent, etc., for shipment, =nd otherwise has been working on rust removal and new paint to prevent =ore rust on the new electric cart. Believe it or not, it's already =usting. Will also rubberize the bolts per JE.

Two other guys hired are Dupson's for =andscaping. Though JE told him to get more guys, they basically =eplaced Kyle and Sainfrans. We are looking at one more.

did they begin?
if so where are they working and how are you prioritizing their work?
please advise
thank you
