These prices are the same as the 2018 ones we quoted months ago, prices based on this quantity as in the past as well as free delivery in the Miami area. About the delivery, if they have to go to Riviera Beach, we need to hire an outside company to make such a delivery, that would increase the cost by \$100.00 each, so another \$1200.00 on top of the total. This can be added later to the total.</=

What we would prefer is to live load the container at our warehouse, we have the capability to do so! We handle the Mules as if they were our own, we supply numerous tie down and secure the Mules in the container, I don't think the shipper will do. This way the Mules are kept indoors at all times and not sitting in an open lot. This does not cost any additional to you and I think the best method, we do this often enough.

</=pan>

More good news, I just spoke with Kawasaki, all these 2019's are in stock right now in the Savannah warehouse, this means they will get shipped to me right away! It seems quite the operation to get these all assembled, prepped and tested, but it looks like we could have them all ready in about 3 weeks.

Thank you!
