Rich,

In reference to Patrick not being=the one to respond--I communicate for him because he drives boats all day.=I would never make this proposal without consulting with him first. <=iv>

In reference to not having a Little C record from a deci=ion made prior to my role as manager or Patrick's instruction to be th= lead on boats -- I was TOLD MULTIPLE TIMES by you, Rich, and Daphne that =he holds all the records, that I should not duplicate them by holding my o=n copies, and that all I have to do is ask and she will retrieve it for me= Instead of making an effort to blame or point out inefficiencies I didn&#=9;t create, it would be helpful if you could be part of the solution by pr=viding the information I requested. This is a perfect example of why I am =ecoming reluctant to communicate with you or Daphne any more than I have t=. Every time I reach my hand out as instructed, it gets slapped.

In reference to Patrick working 7 days a week - we live her=. We eat, breathe, and sleep this island and have made every effort to tak= very good care of it in addition to the other management responsibilities=we have absorbed. At his last visit Mr. Epstein expressed that the island =ooked five times better than it had in six months. May I provide the remin=er that this occurred in the last four weeks which also encompassed Mike&#=9;s vacation and Kyle's resignation? We both have been working very ha=d.

Good morning, All,

Randy Amparo is scheduled to be on vacation February =4 - March 3 (10 vacation days, two weekends, one holiday). Because we will=be down one captain, it makes sense to me to have Little C hauled out at a=ead of his departure and maintenance and repairs done during his absence. =er my request Randy inquired with Nanny Cay, re: their schedule. They do n=t have availability on Feb 13 for haul out, but they can do it tomorrow, T=esday, February 12.

My next question is whe=her we already have an approved estimate of cost for the work. Do we have =his record?

My third question is whether th=s will work for BVI Painters. Randy, did you check with them also?

In the event we do have the record and we can make this w=rk, this means we may need to resume the morning ferry service for a littl= while longer while Little C is out.

Please advis=.
