- overall I think the tile looks, is is not solid =white, there is some light brown coloring, given all the oak cabinets it w=rks well

Would work well for the e=tire Lodge, even with the red counter tops in the kitchen I think you could=make it work

Stripe for curtains and dots for roman b=inds, then could have combination for throw pillows etc

4 Suggested Color Palette for Kitchen: If yo= wanted something to work with the Red Counter Tops in the Kitchen & th= Brown Flooring. Red tones are not popular at the moment hence very l=ttle selection (IMG 4142, 4143)
