#2 HF radio has a Bad Fiber Optic cable \$30.
Luton has 7 of them,

Option 1
Luton can airline a person via Hand carry and deliver in Person tomorrow by noon and takes 2 hours to install the part,
Estimate cost \$2000+

Option 2
Ship the cable and expect to receive the part tomorrow night 8pm and return to service by Friday at Noon.

Option 3
Take the plane to Luton and install

Option 4
Repair #2 HF in NY

Unsure of your departure schedule

Pls advise what I should do?

Thx
Larry
