I spoke with Gerry Martinez at 6pm,
He wants me to file a false EAPIS from St Thomas to PBI for tomorrow, (which=seamed strange) even though we are not traveling this route. He wanted me to use your Birth Certificate as documentation, to see if it would work on his end, however, there is no official selection to insert Birth Cert, for EAPIS, the only selection I could use is "No Document presented" and insert your Birth Cert number in the proper area, Gerry wants me to file this EAPIS, I wanted your confirmation this is OK?
Plus I would require your Birth Certificate number?

Do you approve?

Thx
Larry
