albert said he was going to speak to her did h=? This type of behavior will kill op zone. !! 1.♦=AO she says parcel c permit gives her reason to enter. ? =C2♦ david should know that does not mean entire island. 2 she said=petitioner needs to ask for permit. makes no sense as the law =s set to deal with their delays , they could merely not issue vitiat=nng the reason for the time limit. 3. according to chris =she left a message re inspection. no one showed at least yeste=day. . 4. I am happy to meet with the nice guy you met with he= and lay out all for him. . there is not a lot . at the moment=C2♦ . 5 who should draft permits application.

So obnoxious. - you can't now say a permit is dead - when your own office was communicating with us about the permit - long after you say it was dead. So ridiculous. I forwarded to David and Albert and said we need to discuss - as she is acting completely inappropriately and this antagonistic relationship will not fly.

Frankly - JP should have said - just=issue the permits.
