this is again, an example of not running a biz, the priority must be - the operation of the island and not the staff vacation schedule their medical their education their wife problems or their financial condition. . I am considerate of all employees needs , but they are workers. and you are in charge of the operation. I hear smiley education , gary loan needs , sylvester bad attitude. , dupson=visa. . dolce medical. . JPK , not finished. roof work. . boats need to be bought. . water on gsj needs to be fixed. . outside electricians , water , cleaners. landscapers. . tile people . wall people cement people , these have to be=the focus. thx.

Good morning, All,

Randy Amparo is scheduled to be on vacation February 14 - March 3 (=0 vacation days, two weekends, one holiday). Because we will be down one captain, it makes sense to me to have Little C hauled out at ahead of his departure and maintenance and repairs done during his absence. Per my request=Randy inquired with Nanny Cay, re: their schedule. They do not have availability on Feb 13 for haul out, but they can do it tomorrow, Tuesday, February 12.

My next question is whether we already have an approved estimate of cost for the work. Do we have this record?</=iv>

My third question is whether this will work for BVI Painters. Randy, did you check with them also?

<=iv>In the event we do have the record and we can make this work, this means we may need to resume the morning ferry service for a little while longer=while Little C is out.

Please advise.
