Ann Coulter Subject: Media Magic: How a Democrat Pedophile Became a 'Trump Scandal'

Something like: "The criticism is wrong and reflects a fundamental misunderstanding of both the facts underlying Mr. Epstein's case and how it was prosecuted by both local and federal authorities. Far from a receiving a sweetheart deal, Mr. Epstein was subjected to a lengthy, aggressive, and highly unusual federal investigation for what were, in essence, local offenses of sexual solicitation. He accepted responsibility, served time in prison, and paid significant monetary settlements to the victims involved. [But for his wealth, it is hard to imagine that Mr. Epstein would have received the aggressive treatment that he did from federal prosecutors, and he certainly would never have been subjected to the salacious and malicious treatment by the media that he continues to receive more than 10 years after the case was resolved.]"

Not sure about the bracketed language. It is true of course, but as you say, akin to a luxury tax. Would be interested in what others think.
