It is pro=able that Jonathon Pempek USACE will be coming down on the 11th. USA=E regulatory has been giving him some push back on processing of the dock =ermits(and on several other non compliances he has settled). I will =e talking to him about what needs to be done to get things moving forward =gain. I know CZM had raised issues on the applications and the tempo=ary ramps. Has there been a resolution? I want to check on wha= is happening but did not want to stir the pot so to speak if a resolution=is in the process.

On th= cable side we are less than a month away from both the CZM permit and the=USACE permit.
