Out of an abundance of 'I can't stop thinking about you' ..I believe it may be a good idea for you to have a NEW picture taken for your passport ..I would hate for you to have everything in order when it be refused due to the picture is not NEW...The photo you want to use is the EXACT photo you used when you had your 10 year passport issued on May 23, 2016. Please see below :

Passport photos

You must provide one photo with your passport application.

All our photo policies apply to both adults and children under age 16. We have a few exceptions to our photo policies for infants.

#### Photo Basics

1. Submit a color photo, taken in last 6 months
2. Use a clear image of your face. Do not use filters commonly used on social media.
3. Have someone else take your photo. No selfies.
4. Take off your eyeglasses for your photo.
5. Use a plain white or off-white background

#### Resolution, Print Size, and Quality

- \* Submit a high resolution photo that is not blurry, grainy, or pixelated.
- \* The correct size of a passport photo is:
  - \* 2 x 2 inches (51 x 51 mm)
  - \* Head must be between 1 - 1 3/8 inches (25 - 35 mm) from the bottom of the chin to the top of the head
- \* Printed on matte or glossy photo quality paper

- \* Do not digitally change the photo
- \* You cannot submit a damaged photo with holes, creases, or smudges.

#### Pose and expression

- \* Have a neutral facial expression or a natural smile, with both eyes open.
- \* Face the camera directly with full face in view.
- \* Note to parents of young children: we have sample photos in the Photo Examples section below with tips for submitting a baby's passport photo. We realize that an infant's pose and expression are challenging to maintain for a photo.

#### Attire

- \* You cannot wear glasses.
  - \* If you cannot remove your glasses for medical reasons, please include a signed note from your doctor with application.
- \* Taken in clothing normally worn on a daily basis.
- \* You cannot wear a uniform, clothing that looks like a uniform, or camouflage attire.
- \* You cannot wear a hat or head covering.
  - \* If you wear a hat or head covering for religious purposes, submit a signed statement that verifies that the hat or head covering in your photo is part of traditional religious attire worn continuously in public.
  - \* If you wear a hat or head covering for medical purposes, submit a signed doctor's statement verifying the hat or head covering in your photo is used daily for medical purposes.
  - \* Your full face must be visible and your hat or head covering cannot obscure your hairline or cast shadows on your face.
- \* You cannot wear headphones or wireless hands-free devices.
- \* You can wear jewelry and keep on your facial piercings as long as they do not hide your face. Permanent tattoos are acceptable for passport purposes as well.
