Trip is amazing. Such a beautiful country and amazing people. Vonetta has not gotten back to me yet. I have been working a few hours every day and no emails.

Amy - please let me know when you will start as we should probably notify DPNR as to what is going on and detail best practices being used. Thanks.

Good morning.

I have Jules over there now with the large excav=tor. We could put the bucket on and he can start the removal at any time.
