Subject: Natasha at Amex

Natasha, our Amex rep, is back from holiday. She was absolutely swamped yesterday with people wanting to leave FL, etc. However, She is totally aware of our 'issue' (tickets being sent to others) and reporting it to IT...she believes it is a computer glitch. I want ALL email addresses deleted from our account accept for mine. No email addresses are to be saved. She is giving you 60,000 Amex points (equivalent to \$600 USD) for all the aggravation. =?xml version=.0" encoding="UTF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN" "http://www.apple.com/DTDs/PropertyList-1.0.dtd">
