Dear David, Oliver,=C2
Please find attached= my marked copy of the Draft valuation of the inventory in the Bank and Dav=d's apt .
I apologize the ipho=e images do not reproduce well, especially on the items shown in detail th=t are extracted
from the larger group photos.

The bag or drawer nu=bers are listed in () with each entry so we could locat= the objects more easily.

Please note that num=ers 4, 15, 46-48, are all pieces I have identified as shown in the MMA 198= exhibition, that
also have earlier provenance listed, and which I would l=ve to add to the offering for the May 13th auction.

I would need to coll=ct those next week if possible.

Overall, I have give= fairly conservative values for these large groups and many pieces in gene=al. I am sure we can sort out what other pieces from the other larger two =ots could be sold provided other documents, photos, exhibitions etc, can be sorted out.

Thank you for lookin= this over and please let me know any questions as needed.

My best,
Stacy

Dear David,
Apologies, I made so=e corrections in the massive bank lists.
There are pieces I a= singling out of the bags which could be sold in the auction and I want th=se to be separated.

The images will be a=bit blurred given they are details from a group photo, but I will be able =o locate them if you want to include them.

I should have the re=eised draft tomorrow.

My best,
Stacy
