Hi =ich,

I called Stephanie to =et her know that I picked up a New Sawsaw for Cristobal and =hy.

Stephanie said that she doesn't need to have this =onversation with me and if the crew have a problem with Carlos =urchasing items they should give it back to him and let him know to =urchase a different one. She said my issue is not her problem because =he request didn't come through Management.

I have no problem exiting myself from working with or =ssisting Stephanie.

Clearly Carlos isn't =orking out because all are complaining or asking me to purchase items =eeded.

I've been trying to keep my cool for a long time but =t this point I'm tired of being disrespected by all for no =eason.

I'm suggesting that Stephanie have a staff meeting to =discuss the employees going directly to Her, Michael or Management =Brice & Karen).

I only assist =ecause I'm aware of what they all use and the Brands they =ike.

Ann R.
