Dear David, =liver,

Please find =tached my marked copy of the Draft valuation of the inventory in the =ank and David's apt

I apologize the =phone images do not reproduce well, especially on the items shown in =etail that are extracted from the larger group =photos.

The bag or drawer =umbers are listed in () with each entry so we could =ocate the objects more easily.

Please note that =umbers 4, 15, 46-48, are all pieces I have identified as shown in the =MA 1985 exhibition, that also have earlier provenance listed, and which = would love to add to the offering for the May 13th auction.

I would need to =ollect those next week if possible.

Overall, I have =iven fairly conservative values for these large groups and many pieces =n general. I am sure we can sort out what other pieces from the other =arger two lots could be sold provided other documents, photos, exhibitions etc, can be sorted out.

Thank you for =ooking this over and please let me know any questions as =eeded.

My =est,
Stacy

Dear David,
Apologies, I made =ome corrections in the massive bank lists.
There are pieces = am singling out of the bags which could be sold in the auction and I
=ant those to be separated.

The images will =e a bit blurred given they are details from a group photo, but I will =e
able to locate them if you want to include them.

I should have the =evised draft tomorrow.
