I got through to the Custome= Service Dept. to State Department ([REDACTED]) I asked if there w=s a specialist in the area of passports for registered sex offenders and w=s told no but the man did advise me that each case is an individual legal =rocess...everything must be reviewed/researched, may require possibl= court orders...I asked if I could please connect him to the person =ppling for the passport and was told there is really nothing else he coul= answer since each case is individual. He did say most registered se= offenders do receive passports, but with an endorsement on the back.

Would you like me to call again, get someone on the ph=ne and connect you?
