The old ductwork in the master bedroom was full =f mold and removed. Reefco is now preparing to do the same thing to the Ma=ter bath side.

Mold means moisture. The environment here is humid. The cold indoors ag=inst the hot outdoors makes everything in between sweat - ductwork, stone =alls, etc. We even see the moisture around the edges of the floor.

Let me talk to Mike about=possibilities for moving air and/or wicking moisture in the attic - attic =ans, desiccant, DamRid, special lighting, etc. Will do some research and g=t back to you.

The light gray section is the normal color.  
All the duct in the bath is now being removed also. The bath and the bedroo= are separate systems.
