Mark,

=AOSorry it was so short at Reid's Dinner . 1. more on connectivity. ?=C2 Jenson's article and hence data on the fisherman in =span id="m\_-9116953038021452061:2co.3">Kerala is much too old =A0 ( it appears to have formed the basis for your conclusion re profit )=C2 fresher and more nuanced work has been done. As Reid might hav= told you , I have tried over the years to fund the most rarefied of the s=iences . things that would most like not receive govt grants . =However , my so -called expertise is really "money" . what =s it ? how can it be used.? its burdens and benefits. Over the=past two days I have great fun teasing and informing some world lead=rs, at my ranch ,( each too politically concerned to ack=owledge their lack of understanding and experience in public) =in how they might deal with the new zero interest rate environment ,=uge sums of country wealth given the new and complex financial=system.  
2. If the goal is reducing poverty, I would postualte th=t there are much easier ways than connectivity , much. - Trust , Tax=s and Transactions each need to be a fundamental part of a new=system. Social contracts at the end of the day, FYI . Thiel=/span> .might come to the ranch this weekend , you are welcome=as well. Its a pretty unusual and private place.

My =ell is [REDACTED] J-e-f-f-r-e-y ( [REDACTED] )=C2 If you text me a fixed time, I will turn my phone =n.
