Equipment is moving over to GSJ tomorrow for both septic and =esal trenching. Also busting stone for the wall/planter. Mr Epstein, we do not have a crew of laborers to give Anna. =ll employees are currently very busy doing what you have asked and I =ould ask that we be allowed to manage the work force as both Stephanie =nd I see fit. You have said we are doing a good =ob and we would like the latitude to get projects you have given us =ompleted without additional distraction and mayhem as would be =he case with Anna stepping in.
