Subject: Trying to get in contact with my mom

Hey Bossman,

Sorry if we're bothering you or interrupting something because we know you can be busy sometimes but CC and I was just wondering if you know what the condition is like on St.Thomas. We know it's really bad and we can't get in contact with our mom because all the towers are either down or has collapsed. We may or may not be able to get in contact with her for a while because the hurricane is headed our way as well and we're really concerned.
