I hope you understand that your pronouncme=t does not make it so. I have computer drawings wi=h houses that have rooms that hang over the ocean . proposed d=tailed layouts that were presented , not in draft form as asked but =n computer drawings that bore no semblance of program. . =C2 you have spent a great deal of time and I have spent both time and m=ney. I think you can either deliver what was agreed, =A0 my first choice. return all monies. not my choi=e but I have nothing of value at all . or propose a solution t=x
