I am on my way to Israel for a conference tonight and meetings with Israeli govt officials to advise (for whatever my advice is worth) on legal challenges to bds, the International Criminal Court, Un Human Rights Council and some other issues. Hope it is worthwhile. Back on 3/14. Meanwhile, I will have email access throughout and I have a US number for calls or texts if you need to reach me. [REDACTED]. Let me know if you need anything or just want to throw around ideas.
