Hello David,

I am about to reach out to you and Oliver as well! The auction is now set for May 13, with exhibition running the weekend before.

It is a great slot, alongside the Contemporary auction, and in the nearly renovated galleries.

I have the draft of the inventory of the remainder of the collection from the bank storage and your apt ready to send to you by tomorrow.

There are a few small pieces we could add to the sale if it is possible to return to the bank.

We need to discuss the issue of not offering the pieces now we do not have any firm documents on when they entered the collection. Unfortunately this includes the large tumi.

I will be happy to review with you in greater detail this week.

My best,  
Stacy
