I would be honored to have my name surface.= As I told you, one of the reasons for my interest, enhanced now since=I got to meet you and really like you, is that I don't like bullies=and am always proud to stand up to them publicly.

Thanks=for deleting the email. I have never done that in my life. I do='t remember even sending it, let alone to the wrong person and then=I could not find it anywhere in my email files. Very weird.

That will be a very high profile case because of some of the=information that I have and that will undoubtedly surface after I file.
