Subject:	An aside

You already have helped me with questions about my practice and finances.

I am going to Israel at the request of 2 organizations who are paying my way=in order to meet with government officials to advise them on legal challeng=s to bds and other related issues. Flattering and interesting. I ran a pa=el at the UN last year for the Israeli gift on legal challenges to terroris=.

However now the govt has asked me to come back in June under their auspices d=rectly for more of the same. I love the work and want to help. But not pa=ing my way and I asked for help at least in getting a discount with ElAl as=airfares are high. They say they can't. Now I have to say then I c=n't. Unfortunate because I love this stuff and think I can help.
