Jeffrey

Just had another good meeting with Thomas Huff / GIV buyer, I've been wrong in the past, but think he will perform! He is in no rush and willing to wait if you need to use the GIV during the G=50 interior work with Eric,, and get a contract signed,. Thomas is interest=d in possibility Buying Jege, LLC to side step the FAA RVSM paperwork requi=ed to obtain LOA "Letter of Authorization" to operate the p=ane in RVSM airspace. Takes 90 days+ to obtain these authorizations,. If he buys the company the RVSM letter of authorization's transfer w=th the aircraft.

Text message from Thomas:

"Larry thank you for your time to show me the aircraft. Good meeting=with a fellow aviator as well! My email is [REDACTED] I think we can make this work based on everything that I see. I will be in t=uch soon. Sorry to rush off they got me a 12:30 flight. Thanks again"=

Thx
Larry
