Good day=boss

As per your requested myself and tap is working on the audio system from th= rack it shelf (the floor is being worked on and your desk removed for sa=ety) Tap ask if we can bring a sound guy that he knows to look at the powe= distribution tomorrow afternoon.

We noticing the ceiling light slightly blinking while we were testing the s=eakers. This guy helped him with a similar issue at the club he plays at. =hile talking to him on the phone he didn't like the fact that the =ack was not on it's own independent breaker box vs the main box. W= especially notice it when testing the subs. Do we have permission to do s=?
