**Subject:** Cabana countertop option from EB

Per Glidden:

Elderfield had purchased these for the cabanas prior to the pure white material. They are all cut to fit each cabana bathroom.

He has vanity tops and the narrow top for each bathroom and two of the four sinks needed.

Installation could be arranged fairly quick if they are acceptable.

The people from Kitchen Solvers will be here tomorrow and Saturday to offer a second option also.

Note:

Kitchen Solvers is coming to measure tomorrow and Saturday Stephanie sent a request for 3,000 for their time to measure which seems a bit high..

I was going to wait till after their visit to pay so if we proceeded I would try to negotiate lower pricing..

Please advise

Thank you
