Jeffrey

For planning purposes, the G550 is due the 144month inspection March 2020. I=E2◆◆d estimate 5 weeks down time in Savannah.

Rusty sent me a new dark blue color sample that should be in Palm Beach wait=ng for us in case you want to paint the G550 during the 144 month?

\*\*\*according to Pete, 2 out of 10 G550 are required to Remove the horizontal=stabilizer for delamination inspection and repair.

I will request firm price quoting from Rusty and actual downtime for the 144=month inspection.

Just heads up

Thx  
Larry
