Greetings DD,

I spoke with Cliff this morning - he has 45-47 units of the 45 gallon Barbara Karr =ougainvillea. I told him we will take them all - the 45 gallon =ize only. If he finds the balance in 45 gallon to complete the 50 =ount, we will take them - but right now after he counted yesterday =here are 45 for sure, maybe 47 units.

Attached also is a photo =f the ficus that Cliff has in stock - 6-7 feet - \$150 per unit. =e has the 12 that you requested.

Cliff plans to load week after next - =/14 for a sail on Friday, 3/15. EDA on STT would be 3/19 - LSJ =ould pick up on Friday, 3/22.

Cost:

45 - 45 =allon "Barbara Kurst" bougainvillea @ \$150 each = \$ 750.00

12 - 6-7 foot Ficus @ \$150 each =nbsp; =nbsp; =u class="">\$1,800.00
=nbsp; =nbsp; =nbsp; =nbsp; =nbsp; \$ 8,550.00

Kind regards, DW
