ive agreed your proposal and will send 1st installmen= tomorw. I hope to be in paris next week. ◆=A0 comments re plan, colonade - not sure how it me=ts roofs of buildings as they are all of a different height. = can we get planters that just can be put in on the grou=d. or do we need to build.? . not sure of temp design fo= middle pathways .

future house. prefer p=ol out side master. . , your design has it too close to cottag=. I think . miami mep team will be sen= . . contractor that built library , no longer here. .=C2◆ will send plans.
