A= to the VIWAPA cables. The original permit was submitted in August of=2017 and no action was ever taken on it, partially due to the storms. =The application was amended in August of 2018 to include an additional cabl= around St. John. This is a minor permit application because that is t=he classification cables fall under. We have been pushing on this for q=uite a while. Minor permits usually should take 60 to 90 days.
