don't love his replay throwing the ball back in our court..

we can review tomorrow before i reply..
thank you

Hi Rich,

I have been thinking about our discussion from last week. Given that I made numerous proposals which went unanswered I think it might be better for you to outline exactly what JE needs and what compensation the revised role will have. You have a better picture of where things stand from a counter party perspective and the scope of what's needed.

Thanks,

Paul
